

LaCie Mobile Hard Drive

Design by F.A. Porsche

**High Design.
Highly Portable.**

Made To Move

The LaCie Mobile Hard Drive is portable so you can bring your data with you anywhere. Made with a durable exterior to withstand life on the go, this sleek drive lets you safely travel with up to 250GB of personal data, including MP3s, photos and DVD creations. This compact drive is bus-powered and does not require a cumbersome AC adapter.***

Easy To Share

There is no software to configure on Windows 2000, Windows XP and Mac OS X because the easy-to-use LaCie Mobile Hard Drive is driver-free. With plug and play convenience, it's preformatted for immediate use on PC or Mac. Access your files while on the road, share information with clients, or shuttle data from your home to the office.

Fast Backup

Available with your choice of Hi-Speed USB 2.0 or USB 2.0 & FireWire interface options, the LaCie Mobile Hard Drive features speedy transfer rates (up to 480Mbps/s with USB 2.0) so you can download data or back up important files in no time. This improved drive now offers a fast rotational speed of 5400rpm, and whisper quiet operation.

Ultra-Portable Design

Weighing less than 7 oz., this lightweight, slim drive fits neatly in most pockets and bags, giving you the flexibility to utilize it at home, at work and on the road. Rubber feet underneath the drive prevent it from slipping off of your desk, or plane or train tabletop, and a sturdy metal plate aids in heat dissipation to help prolong the life of the drive.

- Extra storage for music, photos and video
- Back up important files on the road
- Transfer data between home and office
- Share files easily between PC and Mac

Hi-Speed USB 2.0

Capacity*	80GB	120GB	160GB	250GB
Item Numbers	300804	301144	301176	301286
Interface	Hi-Speed USB 2.0 (1 port) - USB 1.1 compatible			
Maximum Interface Transfer Rate	480Mbits/s (60MB/s)			
Maximum Data Transfer Rate**	Hi-Speed USB 2.0: up to 30-34MB/s			
Rotational Speed	5400rpm			
Cache Size	8MB or greater			
Seek Time	<12ms			
Dimensions (WxHxD)	3 x .65 x 5 in / 76 x 17 x 129 mm			
Weight	6.35 oz / 180 g			
Warranty	2 years limited

- LaCie User Manual on CD-ROM
- SilverKeeper™ for easy backup on Mac OS 9 and X
- Silverlining® Pro for drive management on Mac OS 9.x
- Silverlining® 98 for drive management on Windows 98SE/Me
- Velvet pouch

*1 GB = 1,000,000,000 bytes. Total accessible capacity varies depending upon operating environment (typically 5-10% less).

**Indicative value. May vary depending on the drive model and host configuration.

***For computers equipped with a low powered USB or FireWire port, the bundled USB power-sharing cable helps turn the drive on by drawing extra power from a second USB port. An optional AC adapter is available for non-powered hubs or boards, or for the rare computers that limit bus power.

****Delivered with Silverlining Utilities for Windows 98SE and Mac OS 9.
